The **Communication Institute of Greece (COMinG)** was established in 2003 in France. In Greece, since 2013, it appeared as an independent academic association that has for mission to become a forum, where academics and researchers – from all over the world – can meet in Greece to exchange ideas on their research and to discuss future developments in their disciplines.

The conference is under the auspices of the *The European Economic Interest Grouping*. Additionally the *Center of Intercultural Dialog* and *The Braun Foundation for International Exchange* are helping to advertise the conference.
