**Aliaksandr Buhayeu**

Aliaksandr Buhayeu (Александр Бугаев) is the professor of accounting at Vitebsk State Technological University (Republic of Belarus). He earned his doctorate in accounting and is professionally qualified as a certified auditor. In addition to his work at Vitebsk State Technological University he actively audited corporations in Belarus as an independent auditor. He is a member of professional accounting bodies in European countries and the US. Professor Buhayeu has more than 500 articles on accounting, taxation, IFRS, tax planning in leading academic and practical oriented journals in Belarus. He is the author of 30 (thirty) scientific books published. In 2000 he was recognized (according to Belarus Business Newspaper ranking) as the most popular writer on accounting topics in Belarus. In 2012 he was named a Fulbright Scholar by the U.S. State Department and was made his research at the Utah Valley University (Orem) in the USA.
