Turkey.

Papatya Taşpınar

Papatya Taşpınar is currently completing a PhD in the Department of Management and Organization at Yaşar University, Izmir, Turkey. Her previous qualifications include a Bachelor's degree in Communication at Galatasaray University, Istanbul and a Master's degree in Media and Communications Management at Middlesex University, London. Her current research is focused on the examination of the role of various stakeholders in the development success of Technoparks. Papatya's professional training includes the completion of 'Sustainable Development' and 'Cultural and Creative Arts Management' courses in Hungary and Netherlands. Her primary research interest is on technoparks, stakeholders, management, organization, creativity and clusters. Her papers have appeared in various journals and proceedings, she also made presentations in several academic and business conferences. Papatya is also making reviews for Yaşar University Academic Journal and Academy of Management.
