**Sahibzada Muhammad Usman**

Sahibzada Muhammad Usman is a researcher (Ph.D.) at University of Pisa, Italy. His research interests include “China interest in Central Asia” as it related to Geopolitics. He received the first Master degree from University of Abdul Wali Khan, Pakistan in political science and second Master degree from the University of Siena, Italy in international studies. He also received the first B.A. from University of Malakand, Pakistan and second B.A. from the University of Glamorgan U.K.

He was international program instructor in Edwards College for two years. The mission was to challenge students to broaden their perspective through new experiences and environments, to inspire them to develop lifelong skills, to discover and explore their passions, and to empower them to reach beyond self-imposed limitations.
