### **Louis-Caleb Remanda**

Louis-Caleb Remanda is a Hon. Vice President at the Communication Institute of Greece. He is also a researcher in management sciences at LAREQUOI Research Center on Management at the University of Paris Saclay and a Lecturer at the ISM Business School of Versailles Saint-Quentin and the Institute of Technology in Mantes-en-Yvelines. His research interests and his publications are directed on International Strategy (2015, 2016) and International Relations (2017, 2022). His doctoral thesis focused on multinational companies (MNCs) relations within international and regional strategies (Europe and Japan).

He is also graduated with a Master of Sciences (MSc) in International Project Management at the ISG (Institut Supérieur de Gestion) Business School in 2014, and a Master of Research (MRes) in Technological, Strategic and Organizational Evolutions at the ISM Business School of Versailles Saint-Quentin in 2015.

As an active member and skilled individual in other scientific organizations, he also serves the Communication Institute of Greece since 2016, as the Digital Media Designer Director.

Hon. Vice President & Digital Media Designer Director  
Communication Institute of Greece
