

9th Annual International Conference on
Communication and Management (ICCM2025)

“Reimagining Leadership: Exploring Innovative
Pathways for Business and Communication”

30 June – 4 July 2025, Athens, Greece

Register at <https://coming.gr/iccm2025>

This year's conference theme focuses, among others, on how innovative leadership can help universities, businesses, academics, students, everyday people to foster equity, empathy, knowledge, to build resilience and promote educational practices for a better future.
